Socially Distanced Fundraiser

Due to the COVID-19 pandemic, adjustments to fundraising efforts were required to fulfill activities in support of the Department of Minnesota, Veterans of Foreign Wars Auxiliary special project for the Department President during 2019/2020.

Past Department President, Frankie is continuing her drive to raise awareness for her special project, **23rd VETERAN**. This organization assists all Veterans in their transition from military to civilian life. Through their innovative and positive reconditioning program, they help Veterans live happier, healthier lives. They are a nationwide non-profit corporation, which started in Minnesota by a Veteran.
